

Guidelines for Churches exploring Partnership with Kidz Klub Coventry

‘If you want to see something you've never seen before, you've got to do something you've never done before’.

Partnership with Coventry Kidz Klub offers churches the opportunity to reach some of the 30,000 primary school children in Coventry, through a Saturday morning club using the Kidz Klub format, and all the resources it provides.

To work, we will need the partnership of churches across the city as we look to see children reached with the gospel of Jesus Christ.

Guidelines:

- 1) Partnership churches will be expected to contribute financially to Coventry Kidz Klub. Our budget for the first year of operation is £27,000. Funding would involve an initial gift of between £500-£1000, plus an ongoing, monthly commitment that reflects the size and socio-economic make up of the church, and will vary from £50 a month upwards.
- 2) Partnership churches will be expected to contribute volunteers to Coventry Kidz Klub, both for the Saturday morning meetings and for mid-week visiting according to Kidz Klub principles. It should be understood that there will be a selection procedure, which will include a CRB check, and which may mean that a volunteer is not accepted for a specific role. Volunteers should be recommended by a church leader and will be required to participate in Kidz Klub training.
- 3) Partnership churches will be expected to support Coventry Kidz Klub in prayer.
- 4) A leader of all partnership churches will be expected to attend the city launch event in June, where introductions can be made and the core values of Kidz Klub clarified, and to encourage their church members to come too and to be volunteers.
- 5) Partnership churches must be willing to support Coventry Kidz Klub's vision and core values, the mid week visiting, the heart for the poorer estates, and the basic teaching (Evangelical Alliance basis of faith) and structure.

What Partnership Offers
